OBJECTIVE

To obtain a position as an interior designer, where I can practice my craft as part of a creative team in a challenging environment.

RECENT EXPERIENCE

INTERIOR DESIGNER – FREELANCER (CT)

06 December 2019 to Present

My current experience, also offers free lancing for private and large cooperate companies within the field of Interior Design.

Term and conditions are agreed upon contract, including duration of contract.

INTERIOR DESIGNER – KEVIN ROSSI DESIGN (CT)

06 December 2019 to Present

My new adventure as an independent Interior Designer has allowed me work closely together with my own clients, to receive, appraise and report their requirements. This includes technical documentation for typical layouts & joinery design, schedules, cost estimates, miscellaneous services such as renderings.

DESIGNER – INHOUSE DESIGN STUDIO (CT)

25 September 2018 to 06 December 2019

Experience at INHOUSE has allowed me to focus on technical challenges around projects. Technical documentation included typical layouts, room data, joinery, details & schedules. – hard finishes selection. I was also afforded to work within the architectural department, which maximized my knowledge within the field of architecture. During my employment, frequent site visits and leasing with consultants, was key.

INTERIOR DESIGNER – ARRCC (CT)

08 January 2017 to 25 September 2018

Experience at ARRCC has allowed me to focus on multiple local & international projects simultaneously. Maximize suitable & sustainable design for clients. Conceptualizing & Finalizing design concepts. Technical detailing for key areas & furniture. Client consultations - Fabric selection & finishes. Technical documentation of Schedules, Registers & Budgets
